

Industrial LED Torch

VIL20N

Dual-level, impact resistant Industrial LED torch with IP 66/67 water and dust resistance rating.

DESCRIPTION

- Widely used for inspection, emergency repair and construction emergency lighting etc. In industrial area and professional industry.
- The body is made of high-performance nylon, it features as lightweight anti-aging, anti-corrosion, impact-resistant and easy to carry
- Professional optical lens design, soft illumination, uniform spot, in line with GB 30734 fire protection standard.

FEATURES

- Large button, designed for industrial use, made of durable, chemical resistant nylon.
- Transparent cover formed by two-color injection molding of high-transparency and chemical resistant high-performance nylon. Professional optical lens offers better light distribution.
- Modular design, convenient and fast batter replacement; gold-plated contacts, effective electrical connection.

CONSTRUCTION

Certification	CE
Working ambient temp.	-40°C ≤ Ta ≤ +55°C
Ingress protection	IP66/67
Corrosion-proof grade	WF2
Rated voltage	3x1.5V
CCT	6500K
Luminous flux	≥200lm (strong mode), ≥100lm (work mode), ≥100lm (SOS mode)
Run time	≥9h (strong mode), ≥11h (work mode)
Beam distance	≥174m (strong mode), ≥106m (work mode)
Battery capacity	3xLR6AA (IEC60086)
Lifespan	50,000h (without battery)
